**IMPACT Graduate Teaching Assistantship (2016-2017)**
Alcohol, Drug & Violence Prevention Center
Student Health Services

.49 FTE = 19 hours/week

**The position is open until filled**

**General Description:**
The IMPACT program seeks to provide students with education and feedback about their alcohol and other drug use. The IMPACT Instructor is responsible for working with students both individually and in group formats to deliver educational interventions to students. Students participate by self-referral, being mandated by student conduct, through the diversion program offered by city and county judicial services/court, or as a participant in an outreach program. In addition, the IMPACT instructor will engage in program evaluation, research, and be an active part of the SHS Alcohol, Drug and Violence Prevention Center.

**Responsibilities include:**
- Conduct an intake assessment for students entering the IMPACT program.
- Instruct the IMPACT classes as well as one-on-one meetings with students.
- Complete paperwork for students by communicating with city and county Judicial Services/Courts, OSU’s Department of Residential Life, the Office of Student Conduct & Community Standards, or other referral agents.
- Engage in educational outreach and workshop programs, research activities, program evaluation, and other duties as requested.
- Support the Alcohol, Drug & Violence Prevention Center staff as needed.

**Dates of Services & Compensation:**
This graduate assistantship is being awarded for the 2016-2017 academic year beginning September 2016 – June 2017. This is a full-time graduate assistantship that requires 19 hours per week of service. This graduate assistantship requires being part of a Student Health Services in-service and additional training that will take place the week before classes begin in the Fall of 2016. Compensation includes tuition remission, health benefits and a monthly stipend.

**Minimum Qualifications:**
- Bachelor’s degree in Health Promotion, Public Health, Psychology, Sociology, Education, Health Sciences, or other related fields.
- Accepted into an OSU graduate program in Public Health, CSSA, social sciences, education or a related field.
- Demonstrated strong communication and organizational skills.
- Excellent oral and written communication skills.
- High level of comfort presenting to groups as well as working in a one-to-one environment.
- Ability to work afternoons and evenings on a regular schedule.
- Ability to conduct research and work on program development.
Understanding of the role confidentiality and the importance of confidentiality within a health services environment.

**How to Apply:**
Please visit [http://goo.gl/eD0vpI](http://goo.gl/eD0vpI)

Be prepared to submit:
1. A cover letter
2. A current resume/CV
3. Name and contact information for three references

*OSU is committed to a culture of civility, respect, and inclusivity. As an Affirmative Action/Equal Opportunity employer, OSU values diversity in our faculty and staff regardless of their self-identity; to that end, we particularly encourage applications from members of historically underrepresented racial/ethnic groups, individuals with disabilities, veterans, women, LGBTQ community members, and others who share our vision of an inclusive community.*
