up2u Graduate Teaching Assistantship (2016-2017)
Alcohol, Drug & Violence Prevention Center
Student Health Services
.49 FTE = 19 hours/week
The position is open until filled

General Description:
The up2u program seeks to provide students with education and feedback about their alcohol and other drug use. The up2u Instructor is responsible for helping launch and maintain our online alcohol and sexual violence prevention programs. This individual will also work with students both individually and in-group formats to deliver educational interventions to students. In addition, the up2u instructor will engage in program evaluation, research, and be an active part of the SHS Health Promotion Department.

Responsibilities include:
- Help develop marketing content for new online alcohol and sexual violence prevention programs
- Help coordinate the new alcohol and sexual violence prevention programs by tracking compliance, providing customer support, and evaluating outcomes
- Work with offices that support international students to help with implementation of online alcohol and sexual violence prevention program as well as additional programming to support prevention of alcohol and drug use and sexual violence with our international students
- Coordinate with other campus departments including but not limited to Office of Equity & Inclusion, University Housing & Dining Services, New Student Programs & Family Outreach and the Office of the Vice Provost for Student Affairs
- Help support the Advocacy & Prevention Coalition at OSU
- Facilitate alcohol and drug & sexual violence prevention outreaches to fraternities, sororities, student organizations, classes, and other groups.
- Engage in other educational outreach programs, research activities, program evaluation, and other duties as requested

Dates of Services & Compensation:
This graduate assistantship is being awarded for the 2016-2017 academic year beginning September 2016 – June 2017. This is a full-time graduate assistantship that requires 19 hours per week of service. This graduate assistantship requires being part of a Student Health Services in-service and additional training that will take place the week before classes begin in the Fall of 2016. Compensation includes tuition remission, health benefits and a monthly stipend.

Minimum Qualifications:
- Bachelor’s degree in Health Promotion, Public Health, Psychology, Sociology, Education, Health Sciences, or other related fields.
- Accepted into an OSU graduate program in Public Health, CSSA, social sciences, education or a related field.
- Demonstrated strong communication and organizational skills.
• Excellent oral and written communication skills.
• High level of comfort presenting to groups as well as working in a one-to-one environment.
• Ability to work afternoons and evenings on a regular schedule.
• Ability to conduct research and work on program development.
• Understanding of the role confidentiality and the importance of confidentiality within a health services environment.
